

ST. LOUIS SCHOOL 2019-2020 PHOTO OPT-OUT POLICY AND FORM

PHOTOGRAPHY POLICY

Throughout the year, St. Louis School often takes photographs of its students engaging in classroom activities and participating in school events. The photographs are used for general marketing purposes in publications, public relations, promotions, and advertising – both in print and online. They are also posted on Facebook, Twitter, and on the teachers’ classroom pages as a way to share the students’ school day with St. Louis School families.

To protect our students’ identity, we will NOT use their full names and biographical information in conjunction with photographs designated for promotional purposes to the general public. However, internally distributed materials, such as the school yearbook and newsletter, will include our students’ full name. In the event a third party wishes to publish a news-related story about our school, we will do our best to limit them to the use of the students’ first name and last initial only.
